II. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

11 RCW 29A.56.300 violates Article 1, § 10, cl. 3 of the Constitution by entering

12 Washington into a compact agreement with other states that increases the political power of the

13 member-states over non-member states, encroaching upon the supremacy of the Federal

14 Government. It proscribes a method of Elector selection which violates the rights of citizens in

15 both member and non-member states protected under Article 4, § 2, cl. 1 and Amendment 14 § 1

16 and 2. It specifically causes harm to Mr. Miller by : 1) It requires that Mr. Miller have an elective

17 franchise role in the selection of State Electors via a state-wide popular vote and then directs that

18 the State disregard the results of that election, and Mr. Miller's vote, when actually appointing

19 the Electors. 2) It grants the citizens of other States the right of suffrage in Washington State

20 while granting no reciprocal suffrage to Mr. Miller or other Washington citizens. 3) It requires

21 that the State give privilege to the votes of non-citizens over that of Mr. Miller and other

22 Washington citizens in the appointment of the State's Presidential Electors. 4) It dilutes Mr.

23 Miller's suffrage by expanding the body politic of the electorate beyond Washington State lines

24 of sovereignty and jurisdiction, creating a Federal Voting Class that encroaches upon Federal

1 authority. 5) It allows the laws of other States concerning, *inter alia*, elector qualifications to
2 alter and control the laws of Washington State against the will and without the consent of the
3 citizens of Washington State.

4 **IV. RELIEF**

5 *State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do
not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing
at the present time. Include the amounts of any actual damages claimed for the acts alleged and
the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts,
and the reasons you claim you are entitled to actual or punitive money damages.*

8 Requested It is requested that the Court issue declaratory judgment that RCW
9 29A.56.300 is unconstitutional and that it be struck from the Revised Code of Washington to
10 prevent the inevitable and unavoidable injury to Mr. Miller's Constitutionally protected rights
11 under Article 4, § 2 and Amendment 14 § 1 and 2.
